***Registration Fees:** A non-refundable registration fee of **\$25 per dancer** is due at time of registration. This does not apply to our 8-week session dancers. Registered dancers receive a reduced rate on birthday parties and day/summer camps.

***Class Costume Fees:** All classes will have a year-end costume ordered from them. The deposit of \$60.00 (per class) is due October 1st, 2021, and the balance of \$40-\$60 will be due come February-March. Costume prices fluctuate as they come from the US, so we need to factor in the exchange, duty, and shipping. Unfortunately, there are no Canadian companies that charge less.

***Entry Fees:** Entry fees will be released once we know where we are competing. For most groups competing locally it will be \$25. Some dance families have competition credits from 2020 that we will use if we can attend those competitions.

***NEW Core Class Discount** – Take 3 or more classes and add your Core class for 50% OFF!

Refund Policy:

Dancers can withdraw from a class before Thanksgiving **without** being responsible for the full tuition fee amount. Dance is a 9-month commitment, not a month to month one. If you cannot commit to that then please enquire about our 8-week programs.

Please understand that if you choose to withdraw from a class at any time after that the program will still need to be paid out in full. Failure to comply will result in possible additional late fees, removal from other classes, and even small claims court if necessary.

Our program doesn't have a month-to-month attendance option.

Late Fees:

*Any accounts not up to date within 30 days will be charged a 5% Late fee on any outstanding amounts monthly.

*Any dance accounts with balances not being paid after 60 days will result in the dancer/dancers being unable to attend class until the account is cleared.

*There will be a \$25 fee on all NSF cheques

***NEW Private Lessons:**

Private lessons can be requested and will be available pending teacher availability.

The rate is \$70/hour.

Please contact the office if you are interested.

***NEW Duplicate Class Discount**

For any of our dancers wanting to take a duplicate class at a 2nd location you can do so for only \$20/month.

For example; Senior Ballet in Canora and Yorkton. The first class would be regular price and the 2nd would be \$20, you still would have double the costume and entry fee costs.

Yorkton Recital Weekend: May 13-15, 2022

Physical Limitations and Injuries:

The instructor must be notified before class about any injury or limitation your child might have. This is extremely important to ensure safe training at the studio.

Monthly Newsletters and Updates:

We send out a monthly newsletter via email every month. This is the most efficient way for us to communicate with you about what is happening in the studio. Please read it to update yourself on what is happening at the studio.

Attendance:

Classes should be attended regularly as every class missed will put the student behind the others.

There will be no refund if classes are missed. Please call, text, or email the studio if you know that your child will be absent from his or her dance class.

Zoom Classes:

We will continue to utilize zoom as an option for dancers who are sick or showing symptoms that should not attend class.

Zoom is not intended for use of not wanting to commute to class, please respect this and how difficult it is for students and teachers to have class this way.

Spirit Weeks:

We LOVE spirit days at the studio and have one almost every month, stay tuned for the dates on these.

Snow Days:

Since we have multiple teachers in different locations and access to Zoom classes now, we rarely will have a snow day. With that being said, we want everyone to be safe and if classes need to be cancelled to get an instructor and dancers home safe then we will do that.

Year-End Recital:

All students will participate in the Year End Recital during one weekend of May. We will be planning for a recital again at whatever capacity it can be. Recital weekend is usually held at the Sacred Heart Theatre in Yorkton. More information on this will be available throughout the year.

Dance Exams:

We proudly offer ADAPT Tap and Jazz Exams as well as Acrobatic Arts exams. We feel they are beneficial to students to track their own individual progress at an international based level. This also helps dancers push themselves to reach a goal and get individual feedback on it as well. The syllabus work is taught in class throughout the beginning of the year. Students wishing to participate in exams may need some extra classes to prepare outside of their regular class. There is an additional fee for exams, this information will be sent home in late September with dancers. Exams will happen late November, early December.

Dropbox Account:

Our studio has a Dropbox account as a reference place for all the information throughout the year. Once we start their recital dances, we also have special folders for each teacher and class where you can access their dances and music so they can practice outside of class time. The login information will be sent in the fall.

Dance Apparel:

We are lucky to have our own in-house dancewear store located inside of the Yorkton studio. We carry all the necessary tights, bodysuits, shoes and more that the students would need! Stay tuned for our Annual Fall Dancewear Sale, and NEW this year, Extravalance Families will get their own private shopping day before it is open to the public.

You can now shop online with us as well at www.extravadancewear.ca

Choreography:

Groups - Group dances will start to be choreographed in class after Christmas. January and the beginning of February is probably the most important time for dancers to make sure they are in class.

Solos & Duets- To be eligible for these you must be on the competition team, please see these details on the next page.

Students may request dances they would like to compete with, there will be an evaluation done of each student and the teachers will collectively decide which, if any will suite the dancer.

Choreography will be done throughout the year, due to the lack of studio and teacher time available during evenings and weekends we will be having some rehearsals during the school day.

Fees-

New Solo \$250 - Repeat Solo \$130

New Duet \$125 (per dancer) – Repeat Duet \$65 (per dancer)

New Trio \$85 (per dancer) – Repeat Trio \$45 (per dancer)

***NEW Production-** This is a competition team class that is open to any competition team students from any studio. This class is not available to students who are in hip hop only. It will perform at all 3 recitals.

There will be main characters that will have to be auditioned for, everyone else will play one of our other mass character roles.

There will be a combination of many different styles of dances.

Classes will be scheduled weekly (like a regular class) and will be held on Fridays. There may be a chance that you do not have to come certain weeks if we are working on a section of the dance that you are not involved in.

Carpooling would definitely be a great idea to arrange for our out of town families.

Tuition will be \$250 for the class and choreography fee for the year, though the costume fee will be a little higher than a normal class.

Questions and Concerns : Parent/Teacher Contact and Conversations:

All of our instructors are educated and experienced in teaching dance to children. However, we also know that nobody knows a child better than his/her parent or guardian. If at any time any questions arise, please do not hesitate to contact the office. If any concerns pertain to another teacher this needs to be directed through our owner Kristin, she then will coordinate a time for discussion.

We kindly ask that any parents having questions for our teachers reach out to the office to have them relayed to the appropriate teacher. We ask that you do not interrupt the teachers during teaching hours or in between class so that the instructor may give you their full attention, without taking away you're your or another child's class.
